

# Instructions for Authors for Student Session

## *Important Notice*

The submissions are preliminarily screened for technological and scientific qualities, and selected papers are to be presented by the authors as finalists in the oral student session, whereas the other papers will be included for presentation in general oral / poster sessions.

Special prizes will be awarded to excellent papers presented in the student session based on the jury's evaluation of both the manuscripts and the presentations.

## *Paper for Conference CD-ROM or its equivalent*

The authors of all sessions are requested to submit a paper manuscript for "On-Site CD-ROM or its equivalent," which will be distributed to regular and student participants as a content of congress bag without extra fee. The speakers who do not submit the paper will not be allowed to make a presentation. **(No paper, No presentation policy)**

Papers in student session should be single-authored. Authors in student sessions must remove your supervisors (professors) from the authors list in the papers. If the author intends to submit the paper to "The ISTS Special Issue of Transactions of JSASS (Japan Society for Aeronautical and Space Sciences),, Aerospace Technology Japan," supervisors (professors) can be added to the authors at the timing of paper re-submission.

Please submit a PDF file of the manuscript on-line through Submission & Registration Site by **Feb.28, 2015**. The page layout is described in "Paper Template" which is the same as the paper format of "The ISTS Special Issue of Transactions of JSASS, Aerospace Technology Japan." But please note that authors of Session (b) have to use different paper format.

- ◇ Template for all student sessions except student-b-session  
Word PDF(Instruction)

- ◇ Template for only student-b-session      Word

### *Copyright Assignment and Speaker's Information*

Authors must sign up for the Copyright Assignment of your paper to JSASS and ISTS organizing committee on-line through Submission & Registration Site by Feb 28, 2015. JSASS and ISTS organizing committee will have the rights to place the papers on ISTS Web Paper Archives and to make/sell the conference CD-ROM or its equivalent, including the right to make paper prints from the CD-ROM or its equivalent or Web. Also authors need to give speaker's information for session chairpersons.

### *The ISTS Special Issue of Transactions of JSASS, Aerospace Technology Japan*

If the author intends to submit the paper to "The ISTS Special Issue of Transactions of JSASS, Aerospace Technology Japan," please click the radio button on the paper submission page of Submission & Registration Site. Additional publication charges will be requested and normal page limit is 6 pages. The details including the submittal and review processes are given in Instructions for The ISTS Special Issue of Transactions of JSASS, Aerospace Technology Japan. The submission of a paper to the journal is not automatic; the authors need to re-submit the paper on the web site which will be available after the symposium.

### *Student Session Award*

Students who made excellent works and presentations will be awarded at the Commendation & Closing Ceremony on July 10. Please join the commendation ceremony not to miss this unforgettable moment.

The following special prizes will be awarded to meritorious papers.  
(Tentative Plan)

- ◇ ISTS General Chairperson Award

The prize winner will be given the opportunity to attend IAC (The

International Astronautical Congress which will be held in Jerusalem, Israel in 2015).

- ◇ JSASS (The Japan Society for Aeronautical and Space Sciences) President Award
- ◇ JAXA(Japan Aerospace Exploration Agency) President Award  
The prize winner will be given the opportunity to attend IAC (The International Astronautical Congress which will be held in Jerusalem, Israel in 2015).
- ◇ Hyogo & Kobe Executive Committee Award
- ◇ SPSS(Society for Promotion of Space Science) President Award
- ◇ AAS(American Astronautical Society) Award
- ◇ Modi Memorial Jaya-Jayant Award
