

Instructions for Authors

Paper for Conference CD-ROM

The authors of all sessions including invited and organized are requested to submit a paper manuscript for "**On-Site CD-ROM or its equivalent**," which will be distributed to regular and student participants as a content of congress bag without extra fee. The speakers who do not submit the paper will not be allowed to make a presentation.

(No paper, No presentation policy)

Please submit a PDF file of the manuscript on-line through [Submission & Registration Site](#) by May 15, 2015. The page layout is described in "[Paper Template](#)" which is the same as the paper format of "[The ISTS Special Issue of Transactions of JSASS \(Japan Society for Aeronautical and Space Sciences\), Aerospace Technology Japan](#)."

Please note that authors for IEPC & ISTS b) Electric and Advanced Propulsion Session should use another template at the [IEPC web site](#).

Copyright Assignment

Authors must sign up for the Copyright Assignment of your paper to JSASS and ISTS organizing committee on-line through [Submission & Registration Site](#) by May 15, 2015. JSASS and ISTS organizing committee will have the rights to place the papers on [ISTS Web Paper Archives](#) and to make/sell the conference CD-ROM or its equivalent, including the right to make paper prints from the CD-ROM or its equivalent or Web.

As for the b) session papers, ERPS and IEPC organizing committee will also have the rights to place the papers on ERPS web site ([ERPS Web Paper Archives](#)) and to make/sell the conference CD-ROM or its equivalent, including the right to make paper prints from the CD-ROM or its equivalent or Web.

If you have any question about copyright assignment, please contact Program Office.

Journal Publications
