

13th Jan.2021

Important Announcement for 33rd ISTS Oita,Beppu,JAPAN

The 33rd International Symposium on Space Technology and Sciences (ISTS2021) is to be held in **a hybrid format, allowing for in-person or virtual attendance.**

The conference will be held from **Feb26-Mar6, 2022 at Beppu,Oita,JAPAN.**

All previously accepted abstracts will be kept in the submission system by default. In the meantime, in case you would like to update your abstract, you can modify it through the online submission system.
(<https://ists.conf.it.atlas.jp/login>)

Those who would like to withdraw the submitted abstracts are kindly asked to send an email to the Secretariat of ISTS with your abstract number and title.

Sincerely yours,

ISTS Secretariat
